# Program Overview

The Parent Child Academy (PCA) is a program designed to help students and their parents develop the skills needed for the child to succeed both in and out of school.

The curriculum is designed to give parents and children the opportunity to learn these skills together in a positive and interactive environment.

**Working together to make families stronger**

## Program Structure

- The Program is open to all families of students in Morgan County.
- Sessions are held throughout the year. Each session varies in the start time and the topics discussed
- Participants can enroll at anytime
- During each session, parents and their child(ren) are taught separately and together in order to maximize learning

The program's unique and innovative curriculum has received approval from the Department of Health and Human Resources as an effective parenting education program.
