

This brochure was made possible by the Healing Taskforce of the Morgan County Partnership. The Morgan County Partnership is a coalition of local individuals and organizations that are working together to provide our young people the support and skills they need to be healthy and positive members of our community.

The Morgan County Partnership (MCP) is funded in part by Drug-Free Community grant and several Juvenile Justice and Community Services grants.

The MCP is a 501(C)3 non-profit agency. The Morgan County Commission acts as the fiscal agent for the Morgan County Partnership.
